Foreword

Greetings from

Ch.S.D.St.Theresa's Autonomous College for Women, Eluru

It has been 70 years since Ch.S.D.St.Theresa's College was born with a humble beginning in 1953 with 8 students on roll. It was accommodated primarily in the first floor of St.Theresa's girls high School, Eluru. The establishment of the college was the fruit of the dreams and aspirations of the pioneering sisters, benefactors and the people of Eluru.

True to the motto of the college "Thamasoma Jyothirgamaya", our college was always committed to creating a just and knowledgeable society with empowered women leaders who are the light of God's transforming love and who will be agents of change and transformation. The growth of the college from its humble beginning to one of the best colleges in India has been made a reality owing to the concerted efforts and commitment of management, staff and students.

The Theresian Alumnae has always been our greatest pride. We appreciate all the efforts you our precious jewels, make for the development of society thereby justifying your study in our college. I particularly appreciate the laudatory efforts of the Theresian Alumnae Association (TAA) in reaching out to the less privileged among your kind in serving your Alma mater. I congratulate the members of TAA for being instrumental in conceiving this comprehensive report of the activities of the Theresian Alumnae Association.

Dr. Sr. Mercy, Principal,

B) Snehitha:

On the eve of diamond jubilee celebrations of the college in the academic year 2013-14, TAA has taken initiative to institute a student welfare fund **SNEHITHA** to give financial support within structured guidelines to the economically backward meritorious students studying in the Ch. S. D. St. Theresa's College for Women (A), Eluru.

This noble idea of the association is the brain child of **Dr. Sr. Mercy**, the Principal who inspired the members of the Association to give back to their alma mater by supporting the young Theresians to pursue their education overcoming the monetary hurdles. This idea has been supported by **Sr. Inyasamma**, Office Superintendent, the financial wizard of the College. She has been instrumental in formulating the guidelines for disbursement of the scholarships to the deserving students and smooth execution of this noble thought into action.

The seed fund for the 'Snehitha' scholarship has been pooled in various means like ...

- Contributions by the members of Theresian Alumnae Association
- Fund raising programmes organized in the campus by the Theresians who excelled in Cultural pursuits like dance, music etc.

TAA offers Snehitha Scholarship of Rs 5000/- each to about 60 students every year. This best practice has been commenced in the year 2013 in commemoration of the Diamond Jubilee of the establishment of the college. This is a merit – cum - means scholarship provided to the students throughout their course of study in the college. At present, number of students from Intermediate, Under Graduation and Post-Graduation courses are being paid Rs 5000/- per head. Every year 60-80 students are helped with this SNEHITHA scholarship towards college fee from the returns on seed fund collected through various activities during Diamond Jubilee.

B) Snehahar

Theresian Alumnae Association envisions the needs of the Theresians and attempts to address the basic of all the needs in order to see that the education of the disadvantaged Theresians is not hampered. TAA conceived and started “Snehahar” a mid-day meal programme to cater to the nourishment needs of the students and support their education.

The mains objectives of “Snehahar” are to ...

- handle the nutritional depravity of the students
- help the students focus on the academics
- to retain admissions and increase attendance

“Snehahar” is a mid-day meal scheme offered by the Staff and Alumnae to the deserving students of the college. Usually, Snehahar is funded by the monetary contributions of the Staff working on-campus. With the help of this fund, nearly 60 students were provided with the mid-day meal, lovingly termed as Snehahaar. As a part of this scheme, Nutritious and well-planned food is served every day to about 60 students daily from the year 2013.

The Alumni association is moving ahead, with selfless intentions for the growth and development of college students and society around. The association will continuously work towards its vision for a better tomorrow.

Conclusion

Theresian Alumnae association, TAA is one of the dynamic and oldest functioning subsidiaries of CH. S. D. St. Theresa's College for Women (A), Eluru. TAA is happy to join hands with the mother institute in achieving the mission of the college i.e., to empower women and create in them the confidence to lead an independent living.

During Diamond Jubilee in 2013, TAA took up to give back to the almahater and conceived the philanthropic programmes like "Snehita" and "Snehahaar" towards extending to the needs of the disadvantaged Theresian Student Community. To make these programmes a reality, **Cultural Extravaganza**, a Confluence of Culturevents by the Alumnae was conducted in a grand scale. Apart from that, many donations and sponsorships were received. The contributions thus collected have been fruitfully utilized in strengthening the Theresian DNA on-campus, spreading smiles in the lives of the needy Theresian students and fortifying the sources of knowledge to the budding Theresians. All this has been done with a sole motto - to see that the Theresian Flag continues to fly high. With the funds pooled during the Diamond jubilee, nearly 20 lakhs of rupees have been expended, 60-70 students per year are benefitted and self-reliance is being deployed into the lives of the students on rolls.

TAA is enthusiastic, joyous and excited to extend more to the Theresians and enrich their academics, their life-style and help them grow as global citizens and help them build their careers on par with the students of national and global institutes. To this we, The TAA requests the benevolence of all the Theresians and request them to continue these philanthropic activities and continue the baton of Theresian empowerment.
