

Activities 2021-2022

Department of PG Chemistry

Ch SD St Theresa's college for women, ELURU

- **Academics:**

- Students of II MSC Organic chemistry completed 4 diploma online courses in Alison(3), Swayam (1) portal.

- Mrs.A.R.N.L.Sirisha, Mrs.Y.Rajani and Mrs.S.SnehaLatha published a paper on “Chromatographic purification and isolation of Limonene” in a biannual journal named Anveshak under UGC care group-I(ISSN-03784568).

Curricular activities:

- All the staff and students of MSC organic chemistry attended a work shop on “Atomic absorption spectroscopy” conducted by GSITI, Hyderabad on 9th September 2021.
- Dr.C.A.Jyothirmayee delivered a lecture on Depletion of Ozone layer on 16th September 2021 i.e on Ozone day.

- Staff and students attended and presented papers in a workshop conducted by Bharitiyar university , Vellore on” Synthesis and Characterization of Nano particles”.
- Staff and students attended a webinar on “Insights on materials and space science” on 25th Feb 2022.
- Staff and students of PG Chemistry actively participated in “National Science day” celebrations on 28th Feb 2022.
- Staff and students attended a webinar on “Dressed to function molecular tools for the manipulation of size, surface chemistry and assemblies of metal nano particles” by Department of Chemistry on 21st March 2022.
- On 23rd April 2022 World Book Day celebrations were celebrated by students and staff of chemistry.

Cocurricular activities:

- IIMSC Chemistry students prepared Soaps, Sanitisers and Disinfectants in their Kekule club activity on 21st October 2022.

Extracurricular activities:

- On 13th November Students actively participated in cultural activities in club hour for total PG and PG Chemistry got second prize in singing.

- Students of II Msc chemistry performed very well about the importance of doing PG in Chemistry on stage competitions conducted by all departments.
