Department Activities – Computer Science

## Workshop on “Problem Solving and Ideation”

As part of IIC activity, department of Computer Science organized a workshop on “**problem Solving and ideation**” on 28<sup>th</sup> November 2022. The program started with a prayer. The opening remarks given by Vice-Principal Sr. Rajitha.

Resource person Mr. D. Anil Kumar, Director, Sampath InfoTech Pvt.Ltd to the session on the topic for about 1 hour to enlighten the students about on the innovative ideas which leads to a solution to the problems and to think out of the box while finding the solution to a problem by seeing some successful scenarios in the respective fields.

About 250 students of 1<sup>st</sup> year attended the workshop, by this workshop students were able to learn the knowledge to think out of the box while finding a solution to any given problem innovatively.

## **Training camp for Youth Fest Competitions**

On the occasion of youth fest organized by district authorities of Eluru district, Department of computer science conducted training camp for the students who are in various competitions and trained them for about 20 days in folk dance, one act play and fancy dress and made them ready for the competition.

Eventually the students participated in the dance competition held on 11<sup>th</sup> November and we are proud to announce that we bagged first prizes in all the above said categories and selected for state level competitions to be held between 3<sup>rd</sup> and 4<sup>th</sup> week of December 2022.

**Conducted training camp for “Jagananna Swarnotsava Samskruthika  
Sambaralu, Rajamahendravaram” Competition**

As part of cultural activities and as per instructions of Sr. Principal, Department of Computer science have organized yet another training camp for the students for training them in dance. The camp lasted for about 15 days and students not only bagged first prize and selected for state level completions but also won a cash prize of 25000/- Rupees.

## **Digital Club Activity**

As a part of academic activity, in the month of September every week, department of computer science conducted Digital club meeting with 2<sup>nd</sup> year students in which the aim of the club and the activities that can be done in the club are explained by the club president Ms. Jahnavi of 3<sup>rd</sup> year MSCS.

In the meeting the resolutions are made to develop a new website for the college and an application (app) for the students of the college so that they can access every nuke and corner of the admin and academic related programs in the college.

## **Azadi Ka Amruth Mahotsav**

As part of cultural activity, Dance program for “Azadi Ka Amruth Mahotsav”, Mrs. G. Radhika Department of computer science gave training to the students who are in the dance program for about 10 days.

## **Training for Youth Fest state level competitions**

Department of computer Science conducted a training camp for the students who have selected for state level competitions after bagging the District level 1<sup>st</sup> prizes in the categories of folk Dance and one act play.

The camp went on for about 20 days and the state level youth fest was held on 28<sup>th</sup> December,2022.

Our students bagged state 2<sup>nd</sup> prize in folk dance. Principal Dr. Sr. Mercy, Vice Principal Sr. Rajitha and Controller of examinations Sr. Suseela congratulated staff and students for the achievement.
